## **CURRICULUM VITAE**

Anton Boonen was born on March 12, 1986 in Heeze, the Netherlands. He obtained his high school degree (VWO; gymnasium) in 2004 from 'Strabrecht College' in Geldrop. He obtained his bachelor degree in Pedagogical Sciences in 2008 and obtained his Research Master in Educational Sciences at Utrecht University (2008-2010, cum laude, Valedictorian). From January till May 2010 he did an internship at the University of Helsinki, Finland. During his period at Utrecht University, the mathematical development of students and the teaching of teachers became his primary research interests. Since December 2010, Anton has been employed for three days a week as a researcher at VU University Amsterdam, where he completed his PhD research. For two days a week, he worked at Windesheim, University of Applied Sciences, as a lecturer (mathematics & research) at the Department of Initial Teacher Education.
